

F_0 F_1 G_0 

The image displays a 4x4 grid of squares, each containing a unique geometric pattern of lines. The patterns are as follows:

- Top-left square (G_0):** A square with a diagonal line from the top-left to the bottom-right.
- Top row (other squares):** Each contains a square with a diagonal line from the top-left to the bottom-right.
- Second row:** Each contains a square with a diagonal line from the top-left to the bottom-right.
- Third row:** Each contains a square with a diagonal line from the top-left to the bottom-right.
- Bottom row:** Each contains a square with a diagonal line from the top-left to the bottom-right.
